

Maryland Motor Truck Association 2016 Drivers of the Month/Year

Driver of the Month Facts:

The combined records of the
Drivers of the Month =

**337 years &
21 million
miles of safe
driving!**

Driver of the Year Facts:

**Annette Womack,
Giant Food**

- Has been driving for over 30 years, with 1.7 million accident free miles in some of the most congested and difficult areas of Baltimore and Washington DC.
- Created a driver route book that is being published to help new drivers get safely in and out of Giant's 120 stores in the area.
- Started the "Transportation News", a communication tool that alerts transportation managers of safety issues at stores and distribution centers.
- Visited 10 schools in the last year to share what she has seen from behind the wheel with kids.
