## SPONSORSHIP FORM

---

SuperTech is a state and national competition. It is for professional heavy-duty truck technicians to test their combined abilities against those of their peers. SuperTech is a hands-on challenge with multiple skills stations to showcase the knowledge, training and skill needed by today's fleet maintenance professionals.

**We Need Your Support!** The winner of the Maryland competition receives an all-expense paid trip to the national contest in Raleigh, NC. In order to make our event successful we need your sponsorship dollars, it will help us run a first-class competition. Please consider the sponsorship levels below and **commit today**.
