

# 70th Annual Maryland State Truck Driving Championships

**June 3, 2017 - MD State Fairgrounds - Timonium, MD**

**ELIGIBILITY REQUIREMENTS:** The contest is open to all drivers who work in Maryland, have accident-free records from August 15, 2016 until June 3, 2017, and who meet the eligibility requirements of MMTA and ATA. (However, accidents will not be counted against the driver if they occurred when the vehicle was legally and properly parked, or the vehicle was stopped in traffic in compliance with a traffic signal, sign, or police officer.) Non-members of MMTA are eligible to participate and may submit drivers for the competition; but they cannot compete at the National Truck Driving Championships if they win their class.

Each company may enter **three** drivers in each class. All contestants must have the appropriate class of CDL, with required endorsements for the class in which that person is competing. **Photocopies of the contestant's driving record must accompany each entry and release (Form TR-1 & TR-2).**

This form must be returned to MMTA by **May 19, 2017**. **Entry and Release Forms, driver study guides, hotel information, and agendas will not be mailed until this form has been received by MMTA with your payment.**

**EVENT DETAILS:** Entry fee is **\$100 per driver for MMTA members and \$200 for non-members**. Fee includes the following: lunch for drivers, awards presentation with light fare after the event, with jackets for winners. This year the Championships awards presentation will be held approximately one hour after the completion of the course competition. The awards presentation will be held in the Exhibition Hall, with light fare and beverages.
