As always, our annual SuperTech Maryland competition will be heavily dependent on help from our members and their staff. We will show you everything you need to know to help us make this a memorable day for all involved. It's easy, fun and rewarding to be part of an event like this, sign up today and commit yourself to a day with MMTA.

Volunteers will be placed where most needed. However, if you have a particular skill or experience relating to any particular maintenance area (Brakes, Fifth Wheel, Engine etc.), please include that below. Email form to Selena Griffin at sgriffin@mmtanet.com by June 2, 2017
