

Maryland Motor Truck Association

February 18, 2010

Dear Maryland Motor Truck Association Member:

Maryland Motor Truck Association (MMTA) is celebrating its 75th anniversary in 2010. The success of MMTA depends on support from both its carrier members and its endorsed partners. **This year SBT Financial is celebrating 10 years as an MMTA endorsed partner.** Our endorsed partners are instrumental in our ability to provide high quality business services and benefits to our members.

Beginning in 2001 SBT brought discounted Long Term Care Insurance to MMTA's membership. This discount is still available today, along with several other investment and insurance related products and services. SBT provides MMTA members with the following discounted benefits:

- 401(K), Defined Benefit Plans, SIMPLE IRA
- Long Term Care Insurance, Disability, Executive Life, College Savings Plans
- Retirement Planning, Business Succession Planning, Estate Planning

SBT Financial is an active member that gives back to Maryland's trucking industry in many ways. Managing Partner, Scott Taylor, encourages new members to get involved with the Association through his efforts on the MMTA Welcoming Committee. He also volunteers his time as a Board Member and assists us with our annual Management Conference sponsorship drives.

SBT is the trusted advisor to MMTA's own employee retirement plan. To learn how this MMTA benefit can work for you, please contact Scott Taylor at:

SBT Financial Partners
Mr. Scott Taylor
Executive Plaza IV, Suite 200
Hunt Valley, MD 21031
